

## Opossum Sack Instructions

### Recommended fabrics:

Inner - Fleece or padded fleece

Outer - Cotton or cotton blend

- 1.) Cut 15" x 44" piece of outer fabric
- 2.) Fold outer fabric in half to make a 15" x 22" rectangle matching right sides together
- 3.) Sew along two edges, leaving open at top (like a pillow case), turn right side out
- 4.) Cut 15" x 48" piece of inner fabric
- 5.) Fold inner fabric in half to make a 15" x 24" rectangle, matching wrong sides together
- 6.) Sew along two edges, leaving open at top (like a inside-out pillow case)
- 7.) Slip inner fabric into outer fabric, there should be a 2" band of inner fabric extending beyond outer fabric at the top, turn down this 2" band of inner fabric onto the outer fabric, sew along the top of sack using a 1/2" seam allowance
- 8.) Sew around bottom edge of the band close to the edge
